4Life® Transfer Factor Plus®

Powerful immune support*

- Boosts, balances, and educates the immune with our exclusive 4Life Transfer Factor® Peptide Blend
- Bolsters Natural Killer (NK) cell activity in the presence of a health threat and activates other immune system cells*†
- Has zinc to help with the production and function of key immune cells*
- Contains ultrafiltered and nanofiltered immune peptides from cow colostrum and chicken egg yolk*
- Contains certified 4Life Transfer Factor® to Raise Your Immune I.Q.®*
- Features a vegetarian capsule

What Is 4Life Transfer Factor Plus?

Recent independent laboratory studies show that core 4Life Transfer Factor products bolster NK cell activity in the presence of a health threat, while activating a variety of other immune system cells, such as: B cells, T cells, and macrophages.† This product combines the power of 4Life Transfer Factor Peptide Blend (ultrafiltered and nanofiltered immune peptides from cow colostrum and chicken egg yolk) with a proprietary Super Mushroom Blend to support a healthy immune system and provide a host of other phytonutrient benefits. This product educates immune cells and supports the immune system's ability to more effectively recognize, respond to, and remember potential health threats.*

Key Features

- Supports healthy immune system function that, in turn, promotes healthy energy levels and the healthy function of all other systems throughout the body*
- Two servings provide 600 mg of 4Life Transfer Factor Peptide Blend, which is clinically proven to activate the immune system within two hours*†
- Includes a Super Mushroom Blend with proprietary ingredients, such as maitake mushrooms, shiitake mushrooms, cordyceps, IP-6 (inositol hexaphosphate), and olive leaf extract to further nourish healthy, innate immune system function*
- Is protected by U.S. patents: 6,468,534 (extraction process for transfer factors from egg sources) and 6,866,868 (combination process of transfer factors from cow colostrum and chicken egg yolk)
- Contains zinc, a trace element, which is important for the production and function of key immune cells*

Primary Support:

Immune System*
Overall Wellness*

DIRECTIONS: Consume two (2) capsules daily. To optimize immune function,* consume 2 servings daily (4 capsules).

Supplement Facts

Serving Size: Two (2) Capsules
Servings Per Container: 30

Amount Per Serving		% Daily Value
